## ANAND SINGHANIA

MD, Avinash Group

Dear Readers,

Avinash WOW has been my favorite medium to communicate & express my good feelings with you. I am extremely happy to share that Avinash Group has successfully completed 21 years and it has been possible through your cooperation and trust, for which I thank you on behalf of entire Avinash family. The Real Estate Sector is one of the most globally recognized sectors. Thanks to changes in Regulatory Frame Work RERA & GST, India is now way more attractive to both Indian and non- resident Indian (NRI) investors. Introduction of Goods & Service Tax (GST) is expected to be a sentiment booster for the industry and will seek to revive buyers & investors' interest by bringing more transparency in taxation. Introduction of RERA (Real Estate Regulation & Development Act.) will enforce Transparency, accountability in system. RERA will play as a catalyst to increase customer's confidence & bring positivity in real estate market.

We are very proud to share our expansion plan which comprises of upcoming projects in Bengaluru, Bhilai, Kumhari very soon. You may also check out pre-launch offers in our soon to be launched projects Avinash Smart City at Sejbhar, Avinash Metropolis at Bhilai and Lifestyle Empressa at Kota Raipur.

It is rightly said that the result of true passion and dedication always pays. Magneto The Mall received The Best Commercial Project Award and Maruti Lifestyle Environment Friendly Project by Naidunia for our hard work.

Avinash Group has always been conscious towards its social responsibilities. Nations 1st Women mason batch. from Avinash New County got trained and certified by CREDAI National. This Certification enabled them to upgrade their skill set and uplifted lifestyle. Besides that Avinash Group has been regularly organizing Health Checkup Camps, Blood Donation Camps, Clothes & Goods donation and distribution to needy people.

We are glad that the trust of our customers have given us the opportunity to provide better services. I thank you again all for giving us opportunity to serve today, tomorrow and always!!!

## CSR ACTIVITIES @ AVINASH

# Truly Maha-daan In Every Sense - Blood Donation

Blood is one of the biggest medical concerns in the world today. Understanding its importance, and aiming to contribute towards the health and wellness of the community, Avinash Group, took initiative to organize Blood Donation camps on regular basis. This is an ongoing activity of Avinash Group which is running since past many years at all the sites across the state including Magneto Mall. It is an activity for noble cause in which customers, residents, employees, channel partners, directors and everyone associated with the group gladly take part and make it successful. This time in Blood donation camp Balaji superspecialty and Suyash hospital were attached for medical assistance. Speaking about the initiative, Mr. Anand Singhania, Managing Director,

Avinash Group, said, "Voluntary blood donation is a valuable service to people in severe medical emergencies. Avinash Group has always been a front-runner in setting-up such camps for the benefit of the communities. It gives me great pleasure to see our employees enthusiastically supporting such causes, and demonstrating their strong sense of social responsibility." Avinash Group organizes such blood donation camps frequently in every two months. In fact few volunteers are assigned to run this activity apart from regular camps wherein blood is being donated in case of emergencies. Series of blood donation camps by Avinash Group has set a bench mark that it is actually a Mahadaan which has saved plenty of lives.

## Health Checkup Camp

Good health is the biggest gift of life and Avinash Group understands it very well. Good health leads to strong mind, body & soul. With an intention to check staff health and encourage fitness among them, Health Check-Up Camp was organized at all the sites of the group. It is a regular practice which is being organized in every 2 months especially for labours and their family & kids who cannot afford to go through the health check-ups. Avinash Group took the initiative for giving them the facility for check their health on regular intervals. This camp was taken up under CSR activities conducting various medical tests like Blood Pressure, Blood Sugar, ECG, Eye, Diabetes, Spinal Cord and Dental Check-up. The management recorded an overwhelming response from labour with 95% presence. Medicines were also distributed free of cost for the needy persons.

## Education to Under Privileged Children

Education offers children a foundation to achieve their potential. At all the sites of Avinash Group there are labours who come from far places and even while working on the sites their children don't have chance to go to school. Avinash Group took the initiative for such underprivileged children to give them education at projects premises only. A team from Rajeev Gandhi Shiksha Mission is engaged which comes for half day to teach those children and in the remaining time people from staff teach them. This initiative is improving the educational level of the children.

## CSR ACTIVITIES @ AVINASH

### 'DONATE - DON'T DUMP' Campaign

Avinash Group cares deeply about the world around it and strives to give back to society in an effort to make the world a better place for future generations. This philosophy runs on one principle Donate -Don't Dump. At the core of corporate social responsibility program it is the effort of Avinash Group asking to donate old clothes, Books, Toys etc. to other needy people in the society. This donation activity is regularly carried out twice in the year across all the sites and Mall of Avinash Group. Lots of people come and donate their clothes at the prescribed centres. All these collected clothes are donated to orphanage, old age homes and the places of natural disasters. This time 5000 clothes and goods were collected and donated to the deprived people.

**Avinash Ashiyana**

### An Effort Towards Environment Conservation - Making World Greener

Environmental sustainability is emerging as an essential ingredient to live happily. This aspiration materialized into environmental initiatives at Avinash Group. Under this program plantation drive was initiated to nurture nature by contributing by planting trees in and around the sites, empowering future generations. This activity was carried out under the title 'Aao Ped Lagayen' at all the project sites of the Avinash Group. In this

activity residents and customers got together along with the staff, therefore it did not remain a mere tree plantation campaign but became a widespread program bringing lives to the society in the form of greenery, addressing various social objectives, establishing a cohesive bond among corporates, employees and customers and also the community around them. After plantation one tree pot was also given to them to continue the green change.

### Acknowledging Women Support Team We Value You

Avinash Group believes that every member in team has its own importance. Members of Women Support staff are one of them. Avinash Group acknowledged to appreciate their work and contribution for the smooth functioning of office and Mall operations. Under the title of 'We Value You' this activity was organized. Avinash Group believes all female employees irrespective of their position are important, Peon is a small post,

but very important in any company, we value them and this is the reason we honoured them.

Avinash Group takes care of each and every member in the company, so that the staff can render their best with full dedication and hard work. This activity took place in all the sites of group. Entire women support team was highly motivated and happy after the program.

## TRAINING AT AVINASH

# Avinash Group Value Your Safety Safety Is Our Priority

While working at sites, safety is a must and Avinash Group takes care of this as its main concern. Avinash Group has developed a range of training programs for safety measures and awareness of potential emergencies in the workplace, and also to provide workers with the skills to deal with such situations. Every month a safety training session is organized in the presence of experts. Through this program staff gets to know how to use fire safety and other control equipments. The knowledge and skills gained by workers can prove invaluable in avoiding potential incidents. This training program is very important for every worker working at sites. Entire staff took participation in this session. They got to know all the aspects of safety practically explained by experts.

## Skill Development Program Right Skill, Bright Future

This is true that right skill can make bright future of individual as well as organization. Avinash Group the most trusted real estate company, has undertaken various activities with an aim to improve the quality and efficiency of employees & workers. In line with this, Avinash Group organized a skill development training program to impart skills to staff members. The objective of the initiative was to amplify the efficiency and to upgrade their work quality. Speaking on the initiative, Managing Director, Mr. Anand Singhania said "We at Avinash Group have always been committed to the holistic development of the employees of our company. We always strive hard to empower them with a bright and secured future. We are extremely delighted with the response we have received for the program. This program was well appreciated by the participants.

## GST Training Program

A training program for staff members was organized to address the confusions and questions related to the GST. CA and financial experts were invited. They explained about the fact of new patterns of taxation and its adoption to avoid errors while maintaining accounts. This was really beneficial to the members, especially for finance department.

## Skill Upgradation

A special coaching and training session throughout the year around is organized for good performers from various departments. The purpose of this training is to upgrade their working skills to enhance their performance to promote them to the next level of managerial hierarchy. Avinash Group believes to promote young people who are enthusiastic and equipped with fresh ideas. Selected team members attended this training program with full enthusiasm. In this session new ideas were also discussed with the presentation. This is a regular practice in the Avinash Group to find out next level managers.
